SOLVD offers time-based billing. Pay only for what you need based on actual time spent. Our quick start offers a discount that results to a \$200/hr bill rate.

Allowing your company to be up and running quickly with your new system.

HOW SOLVD HELPS YOU:

AUTHENTICATION

We will properly configure your users and permissions so that internal and/or external users can properly authenticate into myTrailhead.

SETUP & CONFIGURE

We'll set up myTrailhead, turn on important features, and prepare everything for content creation.

PREPARE CONTENT

Each myTrailhead implementation is unique. We'll work with you to map out your personal path to success, including training on content creation, overall publishing strategies, and preparing your roll out plan.

CONVERT & PUBLISH

We'll train and enable your content creators to create bite sized mobile-optimized, engaging learning that your audience will love.

DRIVE ADOPTION

We'll show you how to understand and report on who is using your trainings, and help plan next steps to increase adoption amongst users.

BACKUP AND VERSION CONTROL

We will help you set up a version control system that will keep content that is uploaded ready for new versions, and make change management a breeze.
